

## Notes from the Editor-in-Chief

Mirjana Radović-Marković

The JWEE appears to be growing in stature as the number of manuscripts submitted has been steadily increasing. It comes out twice a year in English and it is published by Institute of Economic Sciences, Belgrade, Serbia.

We are grateful to all authors who have sent us quality papers, which passed the peer reviews and were published in our journal. We also expect that in the future we will get original scientific papers of even higher quality and in a larger number.

All publications in the Journal are in English language. Authors whose first language is not English should make sure their manuscript is written in idiomatic English before submission. At last, we want to remind you to follow the author's guide.

On behalf of our Editorial Board, we appreciate your interest in the JWEE and look forward to hearing from you soon.
