Title of the Paper in English

Please DO NOT identify yourself in this template. Authors should not make themselves recognizable in the text in order to enable double-blind peer review. Author details must be entered in the cover letter uploaded separately during online submission.

ABSTRACT

The abstract should be clear, descriptive and not longer than 250 words. It should provide a precise statement of the problem or issue, followed by a description of the research method and design, the major findings, and the conclusions reached.

KEYWORDS: *Keywords (up to 8 keywords) are index terms or descriptions for information retrieval systems. Words selected should reflect the essential topics of the article and may be taken from both the title and the text*

Please note that this text should be identical to the text and keywords you enter when you submit the paper online. You can copy/paste abstract text and keywords.

Introduction

The length of the manuscript should not exceed 20 pages (including notes, references, appendices, tables, figures, charts, etc.). A paper must be written in English in the text processor Microsoft Word, using font **Times Roman** 12 pt, in Latin alphabet, single spacing. Page setup: **B5 (JIS)**.

Margins to be used: 3.3 cm top and bottom, left and right 2.6 cm. Please DO NOT identify yourself in this template. Authors should not make themselves recognizable in the text in order to enable double-blind peer review, and **should not** number pages, as well as **do not** use headers and footers.

Formatting

For text formatting, you should use the following sizes of font Times Roman:

Paper title: 16 pt bold, left aligned

Abstract: 11 pt bold, caps lock

Abstract text: empty line after abstract, 11 pt italic, justified, first line indentation 0.8 cm

Keywords: empty line after abstract text, 11 pt italic

Body text: justified, first line indentation 0.8 cm, paragraph spacing: before 2 pt and after 2 pt

Footnotes: 10 pt, justified

Divide your manuscript into two non-numbered headings as follows:

First Heading

First heading: left aligned, 13 pt bold, paragraph spacing: before 18 pt and after 12 pt

Second Heading

Second heading: left aligned, 12 pt bold, paragraph spacing before and after 12 pt

Equations

Equations and formulas should be inserted by the equation editor (Insert/Equation) in Microsoft Word or MathType. Equations should be written in italic and numbered by the right edge as:

$$v_i = f(x_{i1}, x_{i2}, \dots, x_{in}) \quad (1)$$

Tables and Figures

Tables must be made in Word or a Word-compatible format and should be inserted into text and numbered consecutively with Arabic. Each table should be labeled with an appropriate title or short description one line above the table in italics, 12 pt, centred, paragraph spacing after 6 pt, as shown in this instruction. The same data may not be presented both in tables and charts.

Table 1: Title of the table

Level of education	Unemployed women in 2014		Unemployed women in 2015	
Primary school	21 178	24.4%	16 342	19.3%
Secondary school	54 047	62.3%	55 202	65.3%
College/Faculty	11 597	13.3%	12 975	15.4%
Total:	86 822	100%	84 519	100%

Source: insert source

Figures, charts, diagrams, block schemes, and illustrations must be created using special software or scanned and inserted into the text. Use the black and white technique in 300 dpi resolution or above for the quality of printed content to be acceptable. The photographs that will be scanned should be sharp with high contrast. The title should be written in italics, 12 pt, centred, paragraph spacing after 6 pt.

Figure 1: Title of the figure

Source: insert source

Sources should be placed below tables, figures, charts, schemes, etc., and should be written in italics, 10 pt, left aligned, paragraph spacing before 3 pt. References in the source are used in the same way as in the text.

Conclusion

Paper for the Journal of Women's Entrepreneurship and Education should be submitted online at www.library.ien.bg.ac.rs/index.php/jwee. The authors must also submit a cover letter as a separate file.

Acknowledgments

Acknowledgments to important contributors or supporting agencies, if any, should appear before references. All contributors who do not meet the criteria for authorship should be listed in an Acknowledgments section. Examples of those who might be acknowledged include a person who provided purely technical help, writing assistance, etc.

Where the research was supported by an agency, authors should have a funding acknowledgment in the form of a sentence as follows, with the funding agency written out in full:

Example: The research presented in this paper was funded by the Ministry of Science, Technological Development and Innovation of the Republic of Serbia under contract number 451-03-47/2023-01/200005.

References

At the end of the paper, put the list of the used references. The references should be typed in alphabetical order with the number in square brackets, justified, size 11 pt, and used in accordance with the APA reference style <https://apastyle.apa.org/style-grammar-guidelines/references/examples>

Appendix

In the appendix, only those descriptions of material that would be useful for readers to understand, evaluate, or revise research should be provided.
